Now with manual override

# Backpacker PLUS

Easy to install and use, the Silver Star® Backpacker® Plus Interior Platform Lift features a pre-assembled single piece platform that you can drive your scooter or power chair on or off from either direction. Enhanced construction and a fresh new look give the Backpacker Plus the quality you expect and deserve from Silver Star Lifts.

- Manual override
- 30% more torque on truck motor
- The quality construction and design you expect from Pride® Mobility Products
- 350 lbs. lifting capacity
- Easy-to-use 2-button hand control
- 3-year transferable warranty
- Can lift a variety of Pride® Scooters and Power Chairs and other manufacturers' mobility devices
- 50% more power output on actuator

Note: The Backpacker® Plus can lift all of the listed power chairs with contoured, Synergy® or Specialty seating. Please call Customer Service when requesting information about lifting with a power positioning system. Can fit in most mini-vans with little or no vehicle modification, full-size vans do require modification.

The information contained herein is correct at the time of publication; we reserve the right to alter specifications without prior notice.

Charges the mobility device from the lift as you drive
